SHORTY

DOB: 2007

Comments: Shorty is an 11 year old, with 4 white socks and a blaze. He is a good looking stout gelding. We have used Shorty for the past 3 years as one of our main alley horses at the market. He has mostly been used to chase cattle down the alleys, never went lame, we have also checked pasture on him, he is cowy and tracks good. We have done a bit of roping on him. We just wanted to show him off in the showcase, we thought he was too good to put in the regular sale. He has a unique personality, loves people and very easy to catch. Downfall is he doesn't like being tied up.

DOB: 2009

Comments: Nice broke 9 year old sorrel mare. We used her last fall chasing cattle down the alleys and for loading cattle out. We have also checked pasture and treated calves on her. She handles a rope well and stays quiet. She is a good using horse, can really trot out and cover some ground. I would't reccommend her for a kid but she would work great with someone with a bit of experience.

Jewel is a beautiful, incredibly smart 14-year-old mare. She was purchased 6 years ago from Glenn Stewart (who uses the Natural Rope Hackamore). Jewel is a very solid, well-built 14.3 hh. Having the pro Natural Horsemanship background, her ground manners are near perfect! She can be dewormed without a halter, doesn't mind her shots and can walk into a trailer without a second thought. She is such a good learner and very forgiving. She wants to be your friend. Jewel needs a calm, gentle partner with at least some knowledge of Natural Horsemanship.
