Hello, Fellow Cattlemen, Friends, Neighbours and even the  
Tire Kickers,  
Welcome to our 17th Annual Bull Sale.

A big thank you to our customers for the support over the  
years, without you it couldn't be done. We appreciate every  
one of you.

It is still exciting to be in the cattle business. Even though it  
was dry to the east and north of us, most everybody survived.

Calving has been good again this year, we had only 7 days of  
frigid weather this January. We are about 75% done calving  
our 400 head of cows.

As for the bulls we are bringing to town this year, we are  
thrilled! We are bringing the best of the best for your  
evaluation. You will tell us what they're worth. We guarantee  
our bulls to perform, if there ever is a problem please feel free  
to call.

We will keep the bulls until May 1st and deliver them soon  
after that, but if you so desire you can take them home after  
the sale. It is highly recommended that you insure them after  
the sale. There will be an agent on site to do that.

We are happy to have BMB Brewin Red Angus with us as  
guest consignors, with both bulls and heifers on offer.

Come to the ranch to view the bulls and show up on sale day  
to evaluate them for yourself, we hope to see you there.

Sincerely,  
George Hofer

IN LOVING MEMORY

*Samuel Hofer*

JUNE 26, 1966-APRIL 29, 2019

We are reminded of you every single day, especially now that it's time to get everything ready for the bull sale. The sale was one of Sam's highlights of the year! We are reminded of you when spring comes around and it's time to fix fences and run the cows to pasture. We are reminded of you in every corner of the ranch, your helping hands are missed beyond measure. Sam was the kind of guy that was on top of his work, always had a smiling face and motivated those around him. His love for family, friends and his colony was unconditional. You are missed.. now and forevermore. Love you always!

# BMB Brewin ANGUS

Welcome everyone to our 12th year as guest consignor with Easy Ray Angus. Once again we are happy to work with Easy Ray Angus to present a set of functional, useable bulls that ready to work for you the customer. As we continue to improve our genetics and quality, we feel this years bull offering is one of our best. The bulls will be semen tested and vet checked prior to the sale. We also have on offer a strong group of approximately 60 quality Red Angus commercial replacement heifers. The heifers will be palpated before the sale. We invite and encourage past and future buyers to come to the farm to look at the bulls and heifers that we have on offer prior to the sale. With much gratitude and appreciation, we would like to thank our past customers, Perlich Bros Auction and fellow producers for their continued support over the years. We look forward to seeing you on sale day.
