WELCOME TO OUR 48TH ANNUAL BULL SALE!

We would like to thank all buyers and bidders who have participated in our sales since the beginning.

To say that 2020 was a challenging year might be a bit of an understatement, but we've made it this far pretty well unscathed and consider ourselves lucky to work in the agriculture industry.

Due to COVID-19 restrictions, we have decided to post the sale on DLMS as well as CLIX.

Our adjusted weights and indexes are calculated based on their actual weights not using the calculated Age of Dam (AOD) adjusted weights from the CAA. When receiving your registration papers, you will find the indexes and weaning weight on your bulls will go up on the bulls that have younger mothers and go down on the bulls that have older mothers.

Our cattle herd is ran like commercial cattle, as unassisted as possible. Cows are brought in off grass just prior to calving and return to grass as soon as possible, allowing them to develop on their own. Rigorous culling is done every year to maintain efficiency in all facets and traits. Calves are given a nasal shot of Inforce 3 at birth and again in May along with a HipraBovis Somni and Covexin Plus shot. At weaning they receive Bovishield Gold FP5, HipraBovis Somni, Covexin Plus and Ivomec with another dose of Ivomec during the winter. We **DO NOT** creep feed or trim feet, this allows you to view the bulls in their natural condition.

In 2020, we had 156 bull calves born with 110 on test. They were weighed off test **January 30, 2021** with an Average Daily Gain (**ADG**) of **3.44 lbs/day**. The bulls will be semen tested mid March with the results being posted to our website: **rodgersredangus.com**.

The bulls can be viewed at the ranch until Sunday, April 11, they will then be transported to Perlich Bros. Auction Market on April 12 and will be available for viewing in the afternoon.

We offer a site unseen program, so if for any reason you cannot make the sale please contact us or one of the sales staff and we will hold your bid in the strictest of confidence. The sale is **NOT FINAL** until you approve of the bull. If you are unable to attend the sale and would like to participate the sale will be broadcast on the internet via website **perlich.auction (CLIX) or DLMS**.
