WELCOME TO OUR 47TH ANNUAL BULL SALE!

As with every business we are thankful for the great support we have received from you, our clients. You are the reason we are successful and can carry on doing what we love; raising quality cattle, performance driven, that are born easily and grow quickly while maintaining their fertility and maternal traits.

Our adjusted weights and indexes are calculated based on their actual weights not using the calculated Age of Dam (AOD) adjusted weights from the CAA. When receiving your registration papers, you will find the indexes and weaning weight on your bulls will go up on the bulls that have younger mothers and go down on the bulls that have older mothers.

Our cattle herd is ran like commercial cattle, as unassisted as possible. Cows are brought in off grass just prior to calving and return to grass as soon as possible, allowing them to develop on their own. Rigorous culling is done every year to maintain efficiency in all facets and traits. Calves are given a nasal shot of Inforce 3 at birth and again in May along with a HipraBovis Somni and Covexin Plus shot. At weaning they receive Bovishield Gold FP5, HipraBovis Somni, Covexin Plus and Ivomec with another dose of Ivomec during the winter. We **DO NOT** creep feed or trim feet, this allows you to view the bulls in their natural condition.

In 2019, we had 163 bull calves born with 104 going on test. They were weighed off test **January 30, 2020** with an Average Daily Gain (**ADG**) of **3 lbs/day**. The bulls will be semen tested mid March with the results being posted to our website: **rodgersredangus.com**.

This year brings to a close one chapter and opens another; we have decided to start feeding the bulls at home rather than take them to the feedlot. We express our deepest gratitude to the Graham family of South Slope Feeders with whom we had an excellent working relationship for 27 years.

In the Spring of 2019 we were fortunate to start working with Rich Ment of Trow Nutrition as our feed consultant, we appreciate his knowledge and expertise.

The bulls can be viewed at the ranch until Sunday, April 12, they will then be transported to Perlich Bros. Auction Market on April 13 and will be available for viewing in the afternoon.

We offer a site unseen program, so if for any reason you cannot make the sale please contact us or one of the sales staff and we will hold your bid in the strictest of confidence. The sale is **NOT FINAL** until you approve of the bull. If you are unable to attend the sale and would like to participate the sale will be broadcast on the internet on the Perlich Bros. Auction Market website **www.perlich.com**. This is **NOT an internet sale**. In order to bid you **MUST** contact one of the sales staff prior to the sale and they will contact you prior to the bull entering the ring.

100% SATISFACTION GUARANTEED!
