Hello, Fellow Cattlemen, Friends, Neighbours and even the
Tire Kickers,

Winter is here and it's just the opposite of last year, or at least
it has been so far. We have close to 240 calves on the ground.

We've been blessed with very nice calves this year.

It's our 20th year in the Purebred Black Angus business! It's a
tough business but cow and calf may perish but we will never
give up.

We are very proud of the cow herd we are building. It's a plea-
sure to work with these individuals from birth to sale day and
the commercial end to finish.

In the last year we have sold quite a few loads of fat cattle that
graded 100% Triple A and Prime, so we know our cattle grade
well.

We very glad to have Brewin Red Angus and Ririe Simmen-
tals with us again this year, it's always a pleasure.

We guarantee our bulls to perform, if there ever is a
problem please feel free to call. We would also like to thank
past and future customers, we are truly grateful for each and
everyone of you.

It has been a pleasure to watch these individuals grow from
calf to sale day. Performance was incredible with 7 months on
momma's milk and 6 months on feed.

Come to the ranch to view the bulls and show up on sale day
to evaluate them for yourself, we hope to see you there.

Sincerely,
George Hofer

Our first bull in the catalogue is in his rightful place, at the top. He's a herd bull out a fine round cow that's due with her 12th calf. He's got a nice +8.0 Calving Ease and tremendous growth from 70 pounds at birth to 1281 in his first year!

A big thank you to Easy Ray Angus for having us be guest consigners again this year. We have brought our best bull calf crop to town, and feel these fellas speak volumes. We have reconfigured our feeding program to boast the best nutritional value possible and it truly has shown in our weaning weights. We are excited about the bloodlines and exceptional EPD's in this calf crop. A special thank you to our buyers from last year and we would like to extend a personal invite to previous and future buyers to come by the farm and take a first hand look at our bulls.

A pen favourite, with his undeniable friendly charm and beautiful red coat, this guy is made to perform. Another Royal Flush son, he is in the top 60% of the breed for calving ease and top 25% for yearling weight. This son has great looking EPD's and is carries bloodlines to excel, and he's also proven fond of head scratches.

This bull calf is certainly well rounded, with a dark cherry red color, great body make up and superior bloodlines. His mother raised one of our current herd bulls, and we are confident in this fellas abilities. Despite a later calving date, he's held his own with his peers, regarding performance.

He is noticed for his uniquely beautiful colouring, this guy is a head turner. Out of proven Rainalta mom, with her sire being Remington Red Label, he's got extremely notable bloodlines. He's loaded with sleek shoulders and full ribbed with a curly head and coat.
